Delegate, calibrate, *retain*

Break one task you do every week into five stages, then decide how much of each you hand to the tool.

NAME _____

DATE _____

My recurring workflow: _____

D — Delegated
The tool does it, I glance.

C — Calibrated
The tool drafts, I check every line.

R — Retained
I do it. The tool doesn't touch it.

	STAGE	TAG	WHY
1	*Gather event listings*	D	*Copying from the calendar is mechanical.*
2	*Draft the blurbs*	C	*Dates, times and names have to be exact.*
3	*Pick the featured story*	R	*That's a judgment about our community.*
4	*Format the email*	D	*It's template work; I preview once.*
5	*Send to subscribers*	R	*My name is on it, so I press send.*
